

Tennis Ireland PIN (Personal Identification Number)

Players should be registered with Tennis Ireland. This year Tennis Ireland is launching the National Player Database (NPD) which will allow players to see their results and ratings online.

Players may be registered through their own club's committee. Alternatively players may personally register by contacting Tennis Ireland on 01-8844010 or register online at the following address:

https://www.tennisireland.ie/player_database/player_registration

After registration the player will be supplied with a Tennis Ireland Personal Identification Number, known as TI PIN, which will be used as a way to uniquely identify the player for match results and other purposes such as ratings and rankings.

Please type your PIN number into the '**Member ID:**' box for online entries.

ITN (International Tennis Number)

The ITN is an International Tennis Number that represents a player's general level of play. In time it is hoped that every tennis player worldwide will have an ITN. Tennis Ireland and Munster Tennis are now in the process of adopting the ITN for the 2011 season. Under this system players will be rated from ITN 1 – ITN 10. Munster grades 1 to 7 correspond to ratings ITN 4 to ITN 10 respectively.

To find out your ITN number please contact your club's committee or consult the Munster Tennis Player Directory:

<http://www.munstertennis.com/playerdir.html>

Additionally view the Tennis Ireland website for ITN information:

https://www.tennisireland.ie/player_database/guide_for_irish_players

Please contact your own club's committee for further ITN & PIN enquiries.
