

TENNIS SOUTH MAGAZINES

Dear Club Secretary,

Tennis South Magazine is the title of an exciting new Tennis Magazine catering for Tennis throughout the Munster Region.

For too long now news and articles on Tennis is being ignored by the main stream media and efforts on our part for tennis articles on Tennis News and Events to be covered by media is being met with walls of silence.

To this end, we thought it time to take matters into our own hands and leverage off the wealth of experience and contacts that we have built up over the years to launch a local Tennis Magazine catering for all Tennis Players and Clubs throughout the Munster Region.
